STORY

Pura Vida, in music and in motion.

Born in Costa Rica and based in Tenerife, Sistah Vibes (Karla León) is one of the most active female DJs in the Canary Islands, and an increasingly international name, with summer tours across Europe every year.

After a season as a DJ in **Liberia, West Africa**, she fully embraced her Afro-Latin roots and began producing her own Afro House, with tracks like **Pum Pum** and **Marfil**.

Her sets have lit up festivals and clubs in France, Germany, Slovakia, Italy, Croatia, Austria, Romania, Slovenia and Ibiza, all the way to Panama and Costa Rica.

Her signature is connection: she wins every crowd. More than a passionate DJ, she is a strong voice for women in music, across every role she takes on.
